Subject Index

- ACCOUNTING,
Depreciation costs as affected by inflation, 578, 819, 828.
Location of the depreciation reserve, 173.
- AMERICAN TELEPHONE & TELEGRAPH COMPANY,
Annual report of company, 436.
Atom bomb no threat to AT&T cables, 633.
Record financing of company, 378.
- ANN ARBOR,
Public utility executive program, 840.
- ATOMIC ENERGY,
Co-operation with Atomic Energy Commission, 493.
Peacetime use of, 801.
- BRIDGEMAN FORMULA,
Whether formula means nationalized transportation, 514.
- BUSINESS ADMINISTRATION,
Ann Arbor's public utility executive program, 840.
- BUSES,
See Transit.
- CANADA,
Canadian utilities seek U. S. funds, 48.
- CAPACITY,
Rated *versus* actual capacity for power production, 79.
- CAPITAL,
Cost of utility capital, 304, 505.
- COMMISSIONS,
Federal Commissions—how much independence, 211, 279.
Public relations to support decisions of regulatory authorities during period of rising prices, 773.
Smear attacks as sabotaging Federal Power Commission, 710.
- COMMUNICATIONS,
See also Telephones.
Communication material outlook, 108.
NPA communications equipment division, 39.
Review of 1951, 108.
- COMPETITION,
See also Public Ownership.
Pacific northwest in big squeeze of big government, 663.
- CONGRESS,
Congressional study of electric power, 383.
Washington outlook for public utilities—1952, 3.
- CONSERVATION,
Oil and gas conservation, 318, 714.
- CONSTRUCTION,
See also Controls.
Battle for electric power program, 732.

PUBLIC UTILITIES FORTNIGHTLY

CONSTRUCTION—continued

- Material allocations for utility construction program, 307.
- Power behind industrial expansion, 119.
- Power expansion program faces obstacles, 647.
- Utility's rôle as community's master builder, 363.

CONSUMERS AND PATRONS,

- See also Public Relations.
- Electric consumers' lobby, 786, 851.
- Line losses in customer relations, 597.
- Public relations to support decisions of regulatory authorities during period of rising prices, 773.
- Survey of customer opinion, 542.

CONTROLS,

- Communication material outlook, 108.
- Copper allocations, 241, 634, 699.
- Defense Production Administration increases power expansion program, 511.
- Impact of emergency controls on regulation, 69.
- Investigator fires investigator, 563.
- Material allocations for utility construction program, 307.
- OPS rate case interventions, 178, 853, 854.
- Salary stabilization for utility professionals, 135, 425.
- Telephone order M-77 revised by NPA, 790.
- Utilities and OPS, 696.
- Washington outlook for public utilities—1952, 3.

CO-OPERATIVES,

- See also Rural Service.
- Foreign co-operative issues built-in, sliding-scale, interest bond, 450.
- NRECA convention, 502.

COSTS,

- Myth of cheaper public power costs, 379.

DEFENSE,

- See also Controls; War.
- Defense preparations of New York Telephone Company, 346.
- Telephones and national defense, 854.

DEPRECIATION,

- Impact of price level changes on depreciation costs, 578, 819, 828.
- Location of the depreciation reserve, 173.

DIVIDENDS,

- Analyst takes critical look at utility equities, 676.
- Comment on dividend pay-out policies, 246.
- Outstanding dividend records, 311.
- Tax-free utility dividends, 42.

EARNINGS,

- See also Return.
- Attrition factor in utility earnings, 701.
- Cost of capital, 304, 505.

EARNINGS—continued

- High equity ratio requires higher rate of return on rate base, 706.
- Inflation plagues telephone industry, 516.
- Outlook for electric utilities, 46.
- Trends of gross and net earnings, 860.
- Trying to keep the books straight, 309.
- Utility finance and regulation in age of inflation, 399.

ECONOMIES,

- Chamber of Commerce suggests economies, 451.
- House economy cuts, 500.

EDISON ELECTRIC INSTITUTE,

- EEI issues new question book, 54.

EDUCATION,

- See also Employees.
- Industry and education—partners in progress, 759.
- What a technical education should offer, 801.

ELECTRIC CONSUMERS CONFERENCE,

- Electric consumers' lobby formed, 786.
- President Truman's talk on "propaganda", 851.

ELECTRICITY,

- Battle for the electric power program, 73.
- Congressional study of electric power, 30.
- Co-operation with Atomic Energy Commission, 493.
- Defense Production Administration increases power expansion program, 511.
- EEI issues new question book, 54.
- Electric Consumers' Conference, 866.
- Electric power and the American way of life, 143.
- Electric utility statistics for 1951, 636.
- Federal Power Commission regulatory trends in, 750.
- Federal power projects, 237, 302, 379, 448, 499, 501, 581, 645, 663, 732.
- Hell's Canyon dam: Pro and con, 645.
- How the electric utilities stand with the public, 418.
- Hydroelectric projects, see Water.
- Japanese power review, 179.
- Morehouse report on power capacity, 243.
- Myth of cheaper public power costs, 379.
- Nation's critical power supply, 267.
- Natural gas v. electric utility earnings, 1951, 510.
- Need for thirty million kilowatt increase, 37.
- Northwest power problems, 302, 663.
- NRECA convention, 502.
- Outlook for electric utilities, 46, 640.
- Peacetime use of atomic energy, 801.
- Pie in the sky over Niagara, 201, 290.
- Planned electric lighting by experts, 221.
- Power Czar question, 239.
- Power expansion program faces obstacles, 647.

PUBLIC UTILITIES FORTNIGHTLY INDEX

ELECTRICITY—*continued*

- Power—horse or unicorn, 317.
- Precision instruments in utility operation, 156.
- Private power in the Pacific Northwest, 21, 389.
- Problem of peak loads, 45.
- Rated *versus* actual capacity for power production, 79.
- Socialized power management, 387.
- Tax-paying river development in New York state's Genesee valley, 744.
- What "recapture" will mean for FPC hydro licensees, 13, 89.

EMERGENCY,

- See also Controls.
- Industry planning to meet current and future emergency needs, 729.

EMPLOYEES,

- After employee information—then what, 766.
- Ann Arbor's public utility executive program, 840.
- Day in the life of a typical public utility employee, 230.
- Employee has right to know, 333.
- Information on the American economic system, 531.
- Mobilizing utility employees for private enterprise, 476.
- One way to talk to utility employees, 616.
- School days again for utility men, 355.
- So you think you could be boss, 30.
- Utility magazines, 616, 689.

ENGINEERS,

- Utility engineers' conference, 698.

FALLBROOK CASE,

- Importance of case involving Santa Margarita river, 465.

FEDERAL GOVERNMENT,

- See also Controls; Public Ownership.
- Battle for electric power program, 732.
- Federal Commissions—how much independence, 211, 279.
- Federal expenditures, 642.
- Government of the U. S. A., 448.
- Myth of cheaper public power costs, 379.
- Pacific Northwest in big squeeze of big government, 663.
- Pie in the sky over Niagara, 201, 290.
- Public power budget, 237.

FEDERAL POWER ACT,

- What "recapture" will mean for FPC hydro licensees, 13, 89.

FEDERAL POWER COMMISSION,

- Diary of FPC gas production dispute, 624.
- Smear attacks as sabotaging Federal Power Commission, 710.
- Summary on gas pipelines, 374.
- Trends in Federal Power Commission regulation, 750.

FINANCES

- See also Earnings; Dividends; Securities.
- Analysis of 1951 utility financing, 170.
- Analyst takes critical look at utility equities, 676.
- Canadian utilities seek U. S. funds, 48.
- Cost of capital, 304, 505.
- High lights of 1951 utility reports, 792.
- REA loan contract and state regulatory commission, 39.
- Record financing of American Telephone & Telegraph Company, 378.
- Utility finance and regulation in age of inflation, 399.

FREE ENTERPRISE,

- Labor and free enterprise, 254, 476, 531.
- Performance—key to economic security, 515.

GAS,

- Company makes young friends, 426.
- Conservation of natural gas resources, 318, 714.
- Diary of FPC gas production dispute, 624.
- Earnings lag because of higher field costs, 639.
- FPC summary on gas pipelines, 374.
- Gas industry through the year, 121.
- Gas line test cases, 106.
- High lights of 1951 gas utility reports, 857.
- Industry continues spectacular gains, 169.
- Minimum gas prices, 239.
- Natural Gas Act amendments proposed, 301.
- Natural gas developments, 697.
- Natural gas v. electric utility earnings in 1951, 510.
- New England gas pains, 632.
- Pipeline safety tests and patrols, 388.
- Retailers need rate adjustment clauses, 569.

HIGHWAYS,

- Highway charges for utility lines, 435.

HOLDING COMPANIES,

- North American Company divestment plan, 862.
- Progress of holding company integration, 439.
- Recent holding company developments, 798.
- Unclaimed reorganization cash and securities, 574.

INDUSTRY,

- Electric power and the American way of life, 143.
- Industry and education—partners in progress, 759.
- Power behind industrial expansion, 119.
- Precision instruments in utility operation, 156.

INFLATION,

- Analyst takes critical look at utility equities, 676.
- Attrition factor in utility earnings, 701.
- Depreciation costs as affected by, 578, 819.
- Plagues telephone industry, 516.

PUBLIC UTILITIES FORTNIGHTLY

INFLATION—*continued*

- Public relations to support decisions of regulatory authorities during period of, 773.
- Utility finance and regulation in age of, 399.
- What it means to utilities and investors, 828.

INSTRUMENTS,

- Precision instruments in utility operation, 156.

INTEREST,

- See also Return.
- Foreign co-operative issues built-in, sliding-scale, interest bond, 450.

INTERIOR DEPARTMENT,

- Interior power funds trimmed, 433.
- Interior's united western plan, 54.

INTERSTATE COMMERCE,

- Diary of FPC gas production dispute, 624.

INVESTORS,

- See also Stockholders.
- Inflation and its effect upon, 828.

JAPAN,

- Japanese power review, 179.

LABOR,

- See also Employees.
- CWA politics, 39.
- IBEW-CWA conflict, 240.
- Labor and free enterprise, 254.
- Telephone labor relations for 1952, 109.

LEGISLATION,

- Natural Gas Act amendments proposed, 301.
- Washington outlook for public utilities—1952, 3.

LICENSES,

- What "recapture" will mean for FPC hydro licensees, 13, 89.

LIGHTING,

- Planned electric lighting by experts, 223.

MAGAZINES,

- House publications, 616, 689.

MONOPOLY,

- Charges made before Electric Consumers' Conference, 866.

MOTOR CARRIERS,

- See Transit.

MUNICIPAL PLANTS,

- Survey of customer opinion, 542.

NATIONAL RURAL ELECTRIC CO-OPERATIVE ASSOCIATION,

- Annual convention in Chicago, 502.

NEW YORK TELEPHONE & TELEGRAPH COMPANY,

- Defense preparations of, 346.

NIAGARA RIVER,

- Pie in the sky over Niagara, 201, 290.

NORTH AMERICAN COMPANY,

- Divestment plan under Holding Company Act, 862.

OFFICE OF PRICE ADMINISTRATION

- See Controls.

PRICES,

- See also Inflation.
- Depreciation costs as affected by price level changes, 578, 819.
- Public relations to support decisions of regulatory authorities during period of rising prices, 773.
- Utility finance and regulation in age of inflation, 399.

PUBLIC OWNERSHIP,

- See also Federal Government.
- Contractual alternative to socialized transit, 547.

PUBLIC RELATIONS,

- Employee has right to know, 333.
- How the electric utilities stand with the public, 418.
- Line losses in customer relations, 597.
- Natural gas company makes young friends, 426.
- Selling the story of transit's need, 153.
- Survey of customer opinion, 542.
- To support decisions of regulatory authorities during period of rising prices, 773.
- Utility's rôle as community's master builder, 363.

PUBLIC UTILITIES,

- Ann Arbor's public utility executive program, 840.
- Attacks on, at Electric Consumers' Conference, 866.
- Business dispersal via the T-bomb, 555.
- Day in the life of a typical public utility employee, 230.
- Industry planning to meet current and future emergency needs, 729.
- Occupational superstitions, 98.
- Rôle as community's master builder, 363.
- Salary stabilization for utility professionals, 135, 425.
- School days again for utility men, 355.
- So you think you could be boss, 30.

RADIO AND TELEVISION,

- Desk-to-desk telepictures, 306.
- Microwave dispute settled, 566.
- Microwave highway opened, 567.
- Phonevision plan for television, 41.

RATE BASE,

- Curbs on working capital worry telephone industry, 855.
- High equity ratio requires higher rate of return on, 706.
- Inflation and its effects on utilities, 828.

PUBLIC UTILITIES FORTNIGHTLY INDEX

RATES,

- Fares and the transit problem, 252.
- Impact of emergency controls on regulation, 69.
- Inflationary effect on utilities, 828.
- Minimum gas prices, 239.
- Natural gas retailers need rate adjustment clauses, 569.
- OPS rate case intervention, 178, 853, 854.
- Public relations to support decisions of regulatory authorities during period of rising prices, 773.

RECLAMATION,

- See also Water.
- Eastern-state revolt against reclamation program, 805.

REGULATION,

- Colorado rate regulation, 634.
- Diary of FPC gas production dispute, 624.
- Federal Commissions—how much independence, 211, 279.
- Impact of emergency controls on regulation, 69.
- Public relations to support decisions of regulatory authorities during period of rising prices, 773.
- Trends in Federal Power Commission regulation, 750.
- Utility finance and regulation in age of inflation, 399.
- Washington outlook for public utilities—1952, 3.
- Unclaimed reorganization cash and securities, 574.

REPORTS,

- High lights of 1951 utility reports, 792.

RETURN,

- Cost of utility capital and fair rate of return, 304, 505.
- High equity ratio requires higher rate of return on rate base, 706.
- Inflation and its effects on utilities, 828.

RIVERS,

- See also Water.
- Importance of the Fallbrook Case involving Santa Margarita river, 465.
- Private enterprise builds a hydro dam in the northwest, 21.
- What "recapture" will mean for FPC hydro licensees, 13, 89.

RURAL SERVICE,

- One down on super co-ops, 433.
- REA loan contract and state regulatory commission, 39.
- REA telephone program, 109, 166, 244, 438, 566, 699, 789.
- REA signs research contract, 854.

SAFETY,

- Pipeline safety tests and patrols, 388.

ST. LAWRENCE RIVER,

- Materials for St. Lawrence, 435.

SALARIES,

- Stabilization for utility professionals, 135, 425.

SECURITIES,

- Analyst takes critical look at utility equities, 676.
- Attrition factor in utility earnings, 701.
- Bulletins and brochures on utility stocks, 570.
- Electric utility statistics for 1951, 636.
- Factors and formulas in valuing utility stocks, 110.
- Firm trend in utility stock prices, 115.
- Foreign co-operative issues built-in, sliding-scale, interest bond, 450.
- High equity ratio requires higher rate of return on rate base, 706.
- Pre-emptive rights, 444.
- Unclaimed reorganization cash and securities, 574.

SERVICE,

- Survey of customer opinion, 542.

SOCIALISM,

- Contractual alternative to socialized transit, 547.
- Inherent powers of socialization, 635.
- Mobilizing utility employees for private enterprise, 476.
- Socialized power management, 387.
- Telegraph as socialism's target, 700.
- Toward the point of no return, 316.

STATES,

- Colorado rate regulation, 634.
- Pie in the sky over Niagara, 201, 290.

STEEL,

- Utilities—interested spectators at steel seizure scrap, 695.

STOCKHOLDERS,

- Analyst takes critical look at utility equities, 676.
- Comment on dividend pay-out policies, 246.
- Outstanding dividend records, 311.
- Pre-emptive rights, 444.
- Unclaimed reorganization cash and securities, 574.

STOCKS,

- See Securities.

SUPERSTITION,

- Utility occupational superstitions, 98.

TAXES,

- Business dispersal via the T-bomb, 555.
- Myth of cheaper public power costs, 379.
- Tax-free utility dividends, 42.
- Tax-paying river development in New York state's Genesee valley, 744.
- Transit tax burden, 51.
- Trying to keep the books straight, 309.
- Washington outlook for public utilities—1952, 3.

PUBLIC UTILITIES FORTNIGHTLY

TELEGRAPHS,

No Western Union probe, 305.

TELEPHONES,

See also Communications.

Atom bomb no threat to AT&T cables, 633.

Companies receive management awards, 789.

Curbs on working capital worry telephone industry, 855.

Defense preparations of New York Telephone Company, 346.

IBEW-CWA conflict, 240.

Inflation plagues telephone industry, 516.

"Little Bell" becomes a "General," 568.

Microwave dispute settled, 566.

REA loan contract and state regulatory commission, 39.

REA telephone program, 109, 166, 244, 438, 566, 699, 789.

Telephones and national defense, 854.
